

# W A Y O U T

Future Proof Drinking Water

A satellite view of Earth from space, showing the African continent and parts of Asia. The image is taken at night, with the dark silhouettes of the continents contrasting against the bright, glowing lights of cities and urban areas. The curvature of the Earth is visible on the left side, showing the blue atmosphere. The text "1/3 of humanity lives in water scarce regions" is overlaid in white, bold font in the center of the image.

**1/3 of humanity lives  
in water scarce regions**

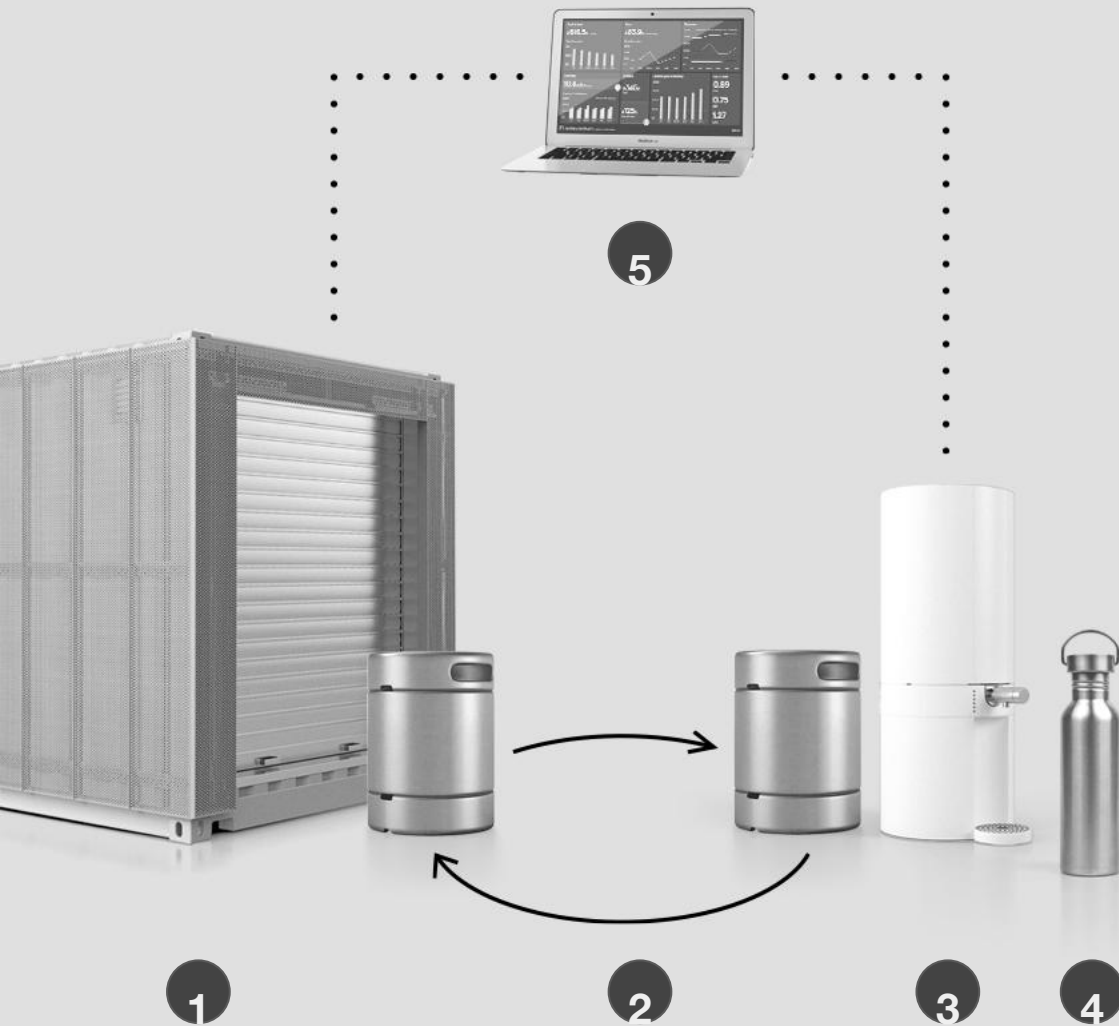

Every day, 1.5 billion  
plastic bottles are sold

Bottled Water Market Size Worth USD 510 Billion by 203

## WAYOUT SYSTEM – WATER AS A SERVICE

- 1. Produce** – turnkey micro-factory
- 2. Distribute** – refillable smart kegs
- 3. Dispense** – connected smart tap
- 4. Bring** – refillable smart flask
- 5. Monitor** – live data and statistics

# Contracts and MOUs

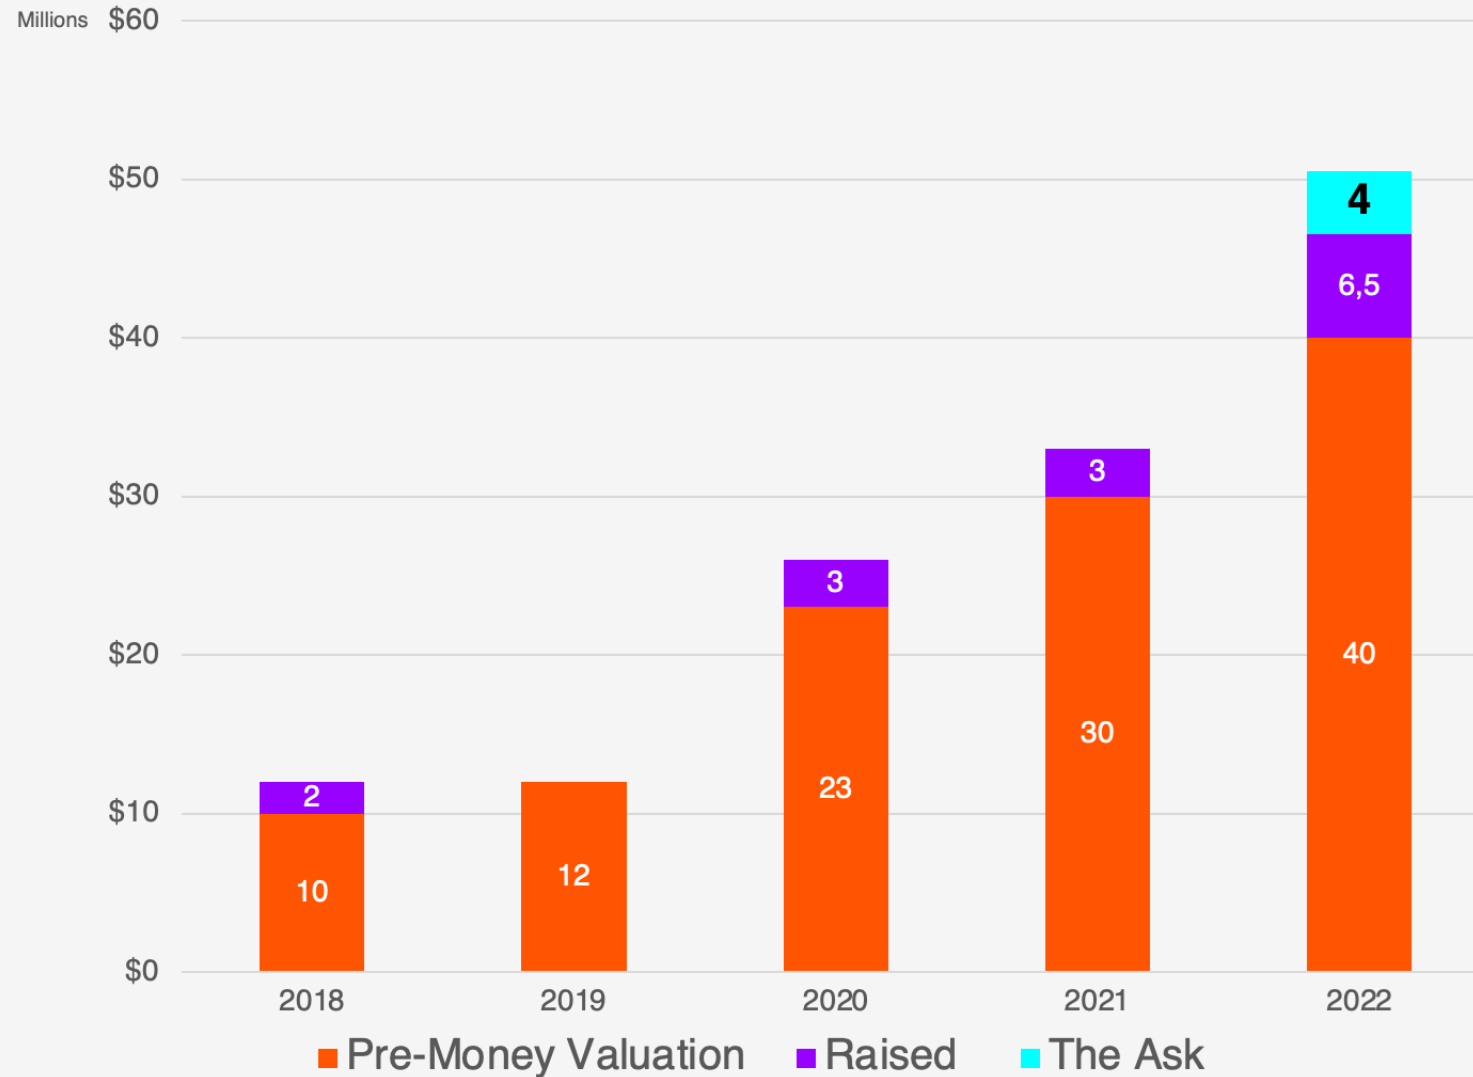

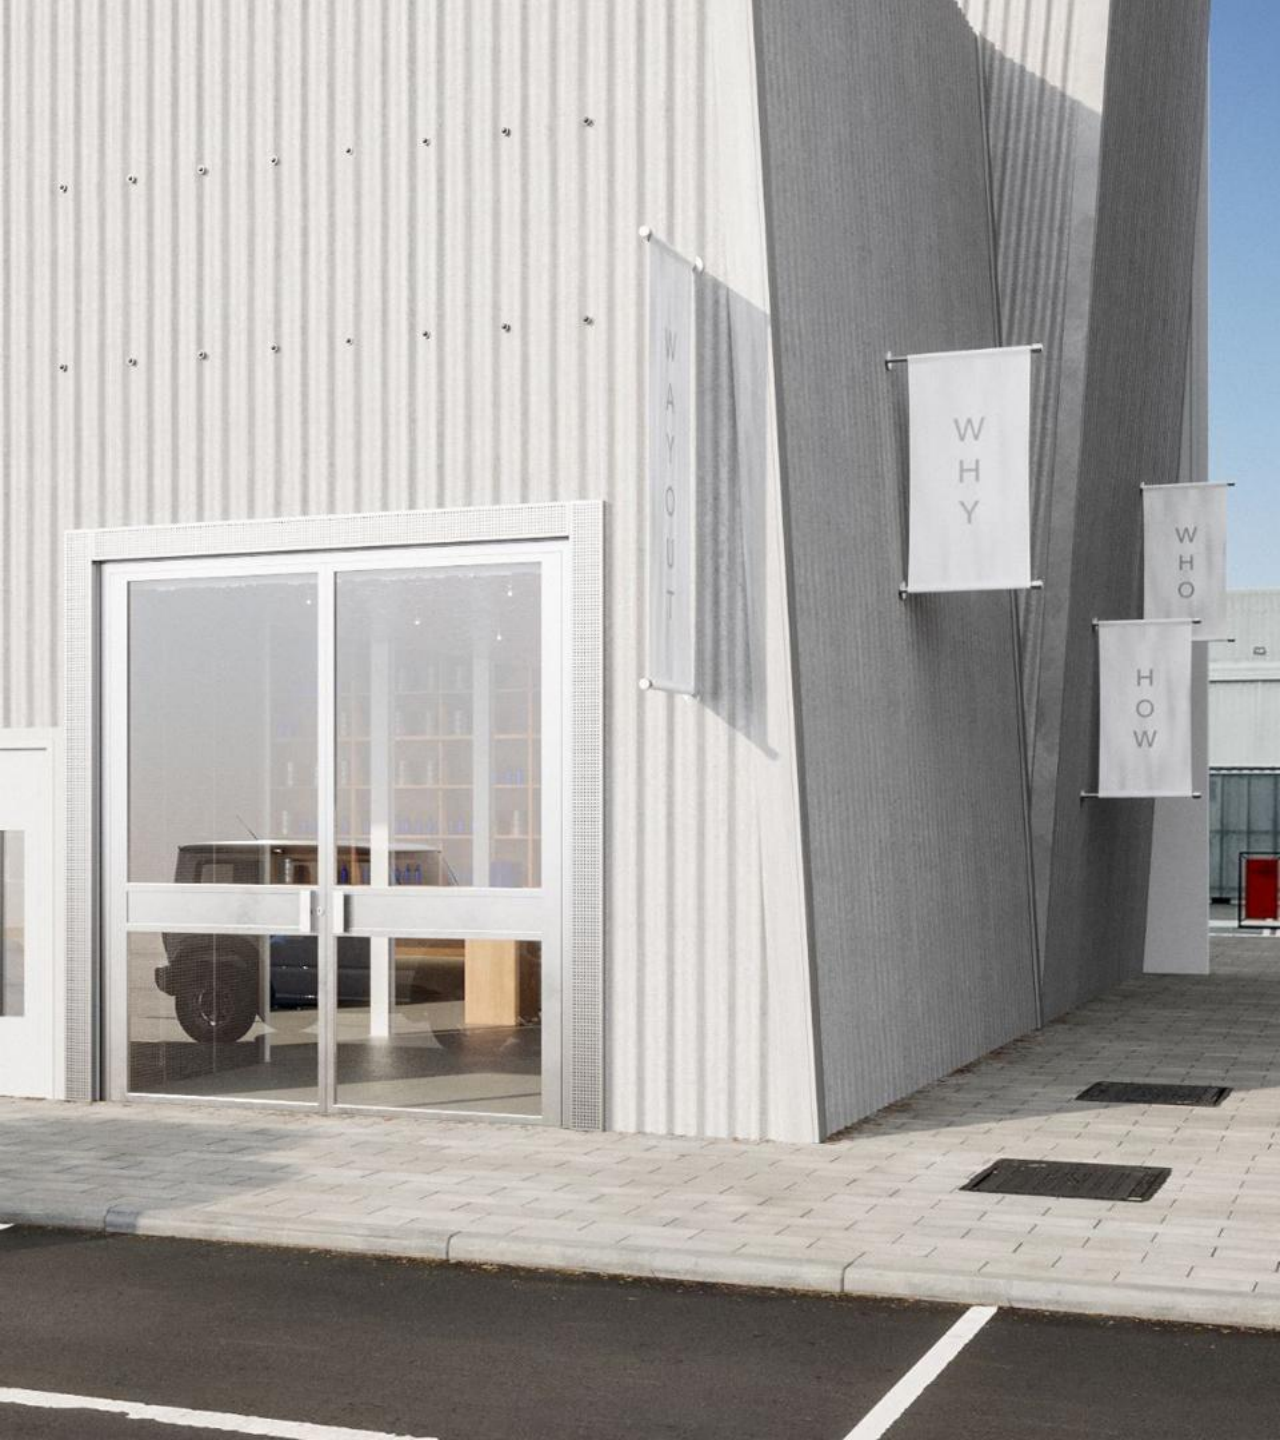

A photograph of three men standing in front of a large, modern industrial machine in a factory or laboratory setting. The machine is a large, rectangular unit with a metallic finish and black-framed glass doors. The left side of the machine has two glass doors revealing internal components, including two large, circular, metallic vessels. The right side has a single large glass door revealing a complex internal structure with various pipes, valves, and a large vertical cylindrical tank. The man on the left is wearing a dark suit and is pointing towards the machine. The man in the center is wearing a dark suit and is pointing towards the machine. The man on the right is wearing a light blue shirt and dark trousers and is looking towards the machine. The word "Partners" is overlaid in white text in the center of the image.
